Current Literacy Strategies

- “Science of Reading”, PLD - re-aligning best practice for teaching reading, including assessment and student reading resources that are better suited to needs in junior years
- Organising whole-school programs of learning for writing, clearly outlining the integration of literacy resources
 - Seven Steps for Writing
 - Talk 4 Writing
 - **Focus on Writing Assessment Moderation**
 - PLD phonics and spelling
 - Extending junior reading program to whole-school
 - **CPS Reading Rubric - Years 1-6 - Science of Reading**

Current Numeracy Strategies

- Focus on improving student confidence, reducing cognitive load through consistent maths warm-ups. Paul Swan warm-up process.
- Bond Blocks number program for lower years learning and intervention
- Continuing to support Maths Problem Solving
- **Bar Model - Core Problem Solving Strategies**

General Curriculum Strategies

- Improved Staff Data Literacy - PAT, Brightpath and NAPLAN data analysis tools
- Targeted teaching - Plan, Teach, Assess model, Case Management - FOCUS ON SUPPORTING GROWTH OF ALL STUDENTS
- **Professional Growth Planning 2024 - Personal Data interrogation, planning and measured access.**
